DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Appellant's explanation of the grounds of rejection is incorrect. The correct grounds of rejection are as follows: Claims 1-3, 5-44 and 46-58 are rejected under 102(b) as being anticipated by Ishiguro. Claims 4 and 45 are rejected under 103(a) as being unpatentable over Ishiguro in view of Carlisle.

The applicant has provided a paper providing a summary of the claimed subject matter. The examiner has considered and entered the "summary of claimed subject matter".

The reply brief filed on 6/29/2007 has been considered and entered.

/William R. Korzuch/
Supervisory Patent Examiner, Art Unit 2431
